

# Inflation Data

Aaron Peikert

2023-09-28

The dataset we use stems from the **Bank of England Research datasets**.

I quote:

*This dataset contains the individual responses to our Inflation Attitudes Survey, a quarterly survey of people's feelings about inflation and other economic variables like the interest rate.*

For this dataset the Bank of England asked 220.846 people for their opinion on the perceived and expected inflation. The survey has run quarterly since 2001.
